Dear Commissioner Howard:

This letter is to inform you that I want a public hearing held at Summerville City Hall on the matter of the rate hike request by South Carolina Electric and Gas Company. The hearing should be held in the evening on a day that the House is not in session so that I will be able to attend. I cannot reconcile that SCE&G is requesting a 10% rate hike while at the same time Berkeley Co-op is making a 12% reduction in its rate.

I look forward to hearing from you.

Sincerely,

  
Annette D. Young
